

WESTHOUGHTON YARN BOMBING FESTIVAL

Saturday 19th and Sunday 20th August 2017

The phenomenon of the Yarn Bombing Festival first came to Westhoughton in 2015, led by the Rainbow Crafts Group with the help of eager knitters across the community in groups, schools and local businesses. Two days of colour, spectacle, entertainment and togetherness, as the town centre was 'yarn bombed'.

Keen knitters and crafters are doing it again this summer; coinciding with Silcock's Funfair being in town and events at Westhoughton Market.

Ditchfield Gardens, Market Street and beyond will be festooned with yarn. Why not join the fun? Or come and see the wonderful displays.
