

Are you interested in attending courses for adults (19+) in Westhoughton?

Westhoughton Community Network wants to find out if there is an interest and need for local adult education courses. We can then advise Bolton Council who work with Bolton College and other training providers. With our partners at the Westhoughton Hub, the John Holt Centre and Westhoughton Library we want to bring some of these courses back to Westhoughton! This survey will run until the end of April 2019.

Most adult education courses are funded to help people seeking work to gain the right skills to get a job. These include Maths, English, Employability and IT courses for beginners. There are also Health & Wellbeing and some Creative Enterprise courses.

Please can you support Westhoughton by giving 5 minutes of your time by taking this short survey?
