

## Wigan & Leigh College - Free Online Courses

I am contacting you today in regards to some free online distance learning courses that are available throughout Greater Manchester and the North West, managed by Wigan and Leigh College. These courses are aimed at the wellbeing/public sectors to teach about mental health, leadership and social care.

The courses are free for anyone over 24. If learners are between 19-23 they must already have a full Level 2 qualification and not be on an apprenticeship. Employment status doesn't affect matters and there is no minimum number of learners enrolling. Each learner is signed up as an individual.
