

## **THE STARLING**

THE STARLING TO MOST OF US,  
IS AN UNIMPRESSIVE BIRD,  
THEY DON'T SING THEY DON'T DANCE,  
AND YOU ARE LUCKY IF YOU SEE THEM,  
HAVING A PRANCE,  
TO SOME, EVEN ITS FOLIAGE ISN'T WORTH A GLANCE,  
THEY SEEM TO HAVE ZERO TALENT,  
UNTIL YOU SEE THEIR MURMURATIONS,  
AS THEY FLASH THRO' THE AIR,  
IN NUMBERS UNQUANTIFIED,  
IT WILL TRULY MAKE YOU STARE,  
AEROBIC EXERCISE TAKEN TO THE EXTREME,  
BY A FLOCK OF BIRDS, WHO AT FIRST,  
THEIR APPEAL SEEMS VERY LEAN.
